Supernova Atrium

Welcome on board Costa Luminosa

A journey through light, in all its beauty

Translucent and dazzling, exquisite and innovative, the interiors of Costa Luminosa reflect the magic of light. A ship with a thousand different facets whose splendour is brought out by the remarkable illumination, with 3,100 metres of LED lighting to emphasise the beauty of its sophisticated interiors and 120 chandeliers with Murano glass pendants that sparkle in the ***Supernova Atrium***, the perfect setting for Botero's "Donna Sdraiata 2004".

The perfect ship for the most spectacular itineraries, helped by the extraordinary number of cabins with a balcony and the huge panoramic windows. Costa Luminosa brings the elegance of light to the sea.

Guests on Costa Luminosa will find every modern comfort on board, not to mention fun and wellbeing in an exclusive setting that has been designed to satisfy every demand: precious, glittering elements like the twenty different types of marble used; original, exciting works of art; sophisticated, modern design in all the public areas; the very latest entertainment with its **Grand Prix and Golf simulators**; the luxurious wellbeing of the **Samsara Spa** and much more besides. The decks are named after precious stones and its public areas bear the names of the brightest stars: a queen of a diamond that has been perfectly cut to shine on the sea.

A totally original take on **art**.

Costa Luminosa has a wealth of extraordinary original works of art on board, by contemporary maestros who have interpreted light and shade in their own inimitable way, creating some spectacular displays. A fine example is "Donna Sdraiata", the incredible, monumental sculpture by the famous Colombian artist Fernando Botero that welcomes Guests in the **Supernova Atrium**. Works by artists who use different techniques and styles such as Mario Donizetti, Silvano Girardello, Elisa Rossi and Flavio Lucchini adorn all the public areas of the ship. This splendid "floating gallery" comprises 288 original works of art by internationally famous and up-and-coming artists, and no less than 4,733 reproductions.
